SNATCH *rummy*

SNATCH RUMMY NEWS | October 14, 2026

Good Games Deserve Good Company.

Our Facebook players group gives the conversation a place to continue after the cards are put away.

Snatch Rummy started around a family game table. Our players group is an invitation to pull up another chair.

Have a question about a rule? A strategy worth sharing? A snatch your opponents are still complaining about? Bring it to the group. It’s also a place to find other players and arrange your next game.

We’re still shaping Snatch Rummy, and your experience matters. Tell us what works, what needs explaining, and what would make you want to play another hand.

Join the Snatch Rummy Players Group on Facebook.

The next good idea might be yours.
